RULE 1. GENERAL PROVISIONS

- 1.1. These amended rules take effect DECEMBER 9, 2022.
- 1.2. These rules, in conjunction with the Code of Criminal Procedure, and the Government Code, govern proceedings in the Harris County Criminal Courts at Law. These rules shall not be construed as extending the jurisdiction of these courts, nor shall they be construed to overrule or conflict with the Texas Government Code, Texas Code of Criminal Procedure, Texas Penal Code, Texas Rules of Evidence, Texas Rules of Appellate Procedure or the ODonnell Consent Decree. These rules are intended to govern local proceedings where such rules are not in conflict with existing law and where such rules are consistent with state statutory law and rules promulgated by the Texas Court of Criminal Appeals and the Texas Supreme Court.
- 1.3. The district clerk shall not make any changes with regard to random filing, numbering of cases, docketing of cases, transfer of cases, assignment of settings, or any other matters that affect the distribution of work or the conduct of the business of the Harris County Criminal Courts at Law unless so directed by the Judges of the County Criminal Courts at Law.
- 1.4. The following rules shall govern the assignment of misdemeanor cases and other matters within the jurisdiction of the County Criminal Courts at Law of Harris County, Texas.

RULE 2. PROCEDURE FOR THE FILING OF CASES

2.1. Numerical Sequence

- 2.1.1. Each criminal and civil case filed and docketed into the county criminal courts at law shall be assigned a sequential number based on the following case number structure.
- 2.1.2. Beginning January 1, 2000, case numbers shall consist of seven numerical digits, the first case number filed on January 1, 2000, shall be "0978400." Case numbers shall continue sequentially thereafter, which scheme shall allow cases to be numbered through 9,999,999.

2.2. Random Filing

- 2.2.1. All misdemeanor proceedings filed with the district clerk shall be randomly assigned by the district clerk to the various county criminal courts at law. This shall be accomplished by means of a blind filing process that provides for the equal distribution of new cases in such a manner that it cannot be determined to which court a case will be assigned until after the assignment occurs.
 - 2.2.1.1. Exception for presiding judge: The presiding judge of the Harris County Criminal Courts at Law may, at their discretion, receive 20% fewer new case filings while acting in that capacity. To accomplish this, the district clerk shall assign 4 cases to the County Criminal Court at Law to which the presiding judge is elected for every 5 cases assigned to each other County Criminal Court at Law.
- 2.2.2. The primary means of assignment of cases shall be through the use of a computer program that provides for the random assignment and equal distribution of cases. The computer program shall be capable of maintaining a journal of filings and distribution of cases that will permit periodic or random audit to determine whether the program is assigning cases as intended.

2.2.3. If the primary means of assignment, the computer program, is not available, the district clerk's office shall use the manual random selection device for the filing of cases into the county criminal courts at law. Prior to each case assignment, the random selection device shall be rotated on its axis, and one ball therein shall be withdrawn. The court number indicated on the ball randomly chosen shall become the assigned court for the case. The district clerk shall add the ball back into the random selection device immediately, so as to not disturb the random filing and docketing of all other cases into the county criminal courts at law.

2.2.4. The clerk shall receive, assign and account for all cases in ascending numerical sequence.

2.2.5. How Criminal Cases Are Attracted To Courts

2.2.5.1. Before using the computer program or the manual random selection device to determine court assignment for a given case, the district clerk shall determine by research whether the defendant named in the misdemeanor information has a prior connection to an existing case in any of the county criminal courts at law. A prior connection is established when:

2.2.5.1.1. a defendant is presently on community supervision in one of the county criminal courts at law;

2.2.5.1.2. a defendant is charged with driving while intoxicated, committed within five years of the date on which the most recent DWI offense was committed;

2.2.5.1.3. a defendant using a valid occupational driver's license granted by the judge of a county criminal court at law is charged with another DWI (Driving While Intoxicated) or DWLI (Driving While License Invalid);

2.2.5.1.4. a lower numbered cause, including a pending appeal of a class C offense from a justice or non-record municipal court, is pending against the defendant/codefendant in a county criminal court at law;

2.2.5.1.5. a defendant is charged and the charge arose from the same criminal transaction that was the basis of a misdemeanor information previously filed on a co-defendant;

2.2.5.1.6. a defendant has not discharged a prior sentence of confinement; or

2.2.5.1.7. a defendant appealed a final judgment, order granting community supervision, or denial of relief in a post-conviction habeas corpus proceeding that is still pending before a court of criminal appeals.

2.2.5.1.8. a defendant has a Harris County misdemeanor case that was disposed within 2 years of filing of the new charge.

2.2.5.2. If one of the above prior connections exists, the new misdemeanor case shall be attracted to the court in which the defendant has the prior connection. If more than one prior connection exists, the new misdemeanor case shall be attracted to the court involved in the prior connection appearing first as listed above.

2.2.5.3. If a defendant has a pending case and is charged with a new case that would attract to a different court under these rules, all pending cases shall transfer to the different court (see Rule 3).

- 2.2.5.4. In the event that a case is attracted to a court in error, then the coordinator of the court receiving the case in error shall complete a transfer order to be signed by the presiding or co-presiding judge that orders the case back into rotation. The order is then returned to the district clerk for compliance therewith.
- 2.2.6. Filing of Cases Charging Public Lewdness, Gambling Offenses, Prostitution, Violations of the Alcoholic Beverage Code, or County or Municipal Ordinances Relating to Sexually Oriented Businesses**
- 2.2.6.1. There is no attraction by either codefendant or transaction in cases charging public lewdness, prostitution, violations of the Alcoholic Beverage Code, gambling offenses, or county or municipal ordinances relating to sexually oriented businesses. The clerk shall apply all other rules of attraction.
- 2.2.7. Appeals From Justice of the Peace Court, and Non-Record Municipal Courts**
- 2.2.7.1. The rules of attraction shall apply to an appeal from a judgment in a criminal case from a justice of the peace court, or non-record municipal court in the same manner as an original criminal case.
- 2.2.8. Re-files, Writs of Habeas Corpus, Mandamus, Prohibition, Restricted Driver Licenses, Fugitives**
- 2.2.8.1. If a case is re-filed, it shall be assigned to the same court as the case it supersedes. The district clerk is then authorized to attract and set the re-filed case in the court where the initial misdemeanor information is or was pending. The setting date assigned to the re-filed case will be the same date as that of the initial pending case. If the initial case is no longer pending, the re-filed case shall be set in accordance with the rules governing the filing of new cases.
- 2.2.8.2. Motions for leave to apply for a writ of habeas corpus, mandamus, or prohibition shall be filed pursuant to an order by the court agreeing to hear those matters. Petitions for restricted driver licenses shall be filed in the court in which the conviction was entered and the driver license suspended. Petitions for restricted driver licenses filed by a Harris County resident that result from a suspension for an offense committed in another county (other than for driving while intoxicated or an offense or administrative violation that results in a suspension) shall be filed in any court agreeing to hear the matter, or as provided for in subsection B of Rule 2. Fugitive cases shall be filed in County Criminal Court at Law No. 10.
- 2.2.8.3. Unless the above categories of cases are later transferred by agreement of the judges or are transferred by authority of a separate order, all such assigned cases shall remain on the docket of the court of assignment until final disposition.
- 2.2.9. Appeals From The Administrative Suspension of a Person's Driver's License as Provided by Texas Transportation Code Chapters 524 and 724**
- 2.2.9.1. See Rule 7.
- 2.2.10. Petitions for Occupational Driver's License**
- 2.2.10.1. See Rule 15.
- 2.3. Application of Bail Schedule; Request for Departure**

- 2.3.1. In all cases, Pretrial Services shall follow the bail reflected in Rule 9. Pretrial Services shall immediately convey this bail amount to the district clerk. If the filed case requires an individualized hearing under Rule 9.4, and no initial bail amount is recorded, Pretrial Services shall convey that fact to the district clerk.

2.4. Designation of Initial Bail by District Clerk Upon Case Filing

- 2.4.1. Upon receiving a new complaint, the district clerk shall enter the bail set by a judicial officer. If no judicial officer has set bail, the district clerk shall approach a judicial officer so one can be set in accordance with Local Rule 9.

RULE 3. TRANSFER OF CASES

3.1. Research by Clerk

- 3.1.1. Upon filing and docketing of a misdemeanor indictment or information into the county criminal courts at law, the district clerk will determine by research whether the named defendant has a prior connection in any of the county criminal courts at law. This research shall be done in accordance with the criteria established in Rule 2.

3.2. Re-filing of Cases

- 3.2.1. All re-files of cases pending or dismissed shall be filed and docketed in accordance with statutory rotation. The district clerk is authorized to transfer and set the re-filed case in the court where the initial misdemeanor indictment or information is or was pending. If the initial case is pending, the setting date assigned to the re-filed case will be the same as that for the initial case. If the initial case is not pending, the re-filed case shall be given an appropriate setting in accordance with these rules.
- 3.2.2. All writs of habeas corpus, contempt, and ex parte matters shall be filed and docketed in accordance with these rules. The district clerk is authorized to transfer and set the proceedings in the court where a prior case connection exists or, if no prior connection exists, to transfer the proceeding to the court wherein the hearing on such proceedings is to be conducted.

3.3. Special Transfer Situations

- 3.3.1. S.O.B.E.R. Court Transfer on Motion to Revoke
- 3.3.1.1. Upon receiving a motion to revoke the probation of a defendant in S.O.B.E.R. Court, and upon consent of the defendant, the judge presiding over the S.O.B.E.R. Court shall sign a docket notation that the case is to be transferred to a judge presiding over a different S.O.B.E.R. Court and specify the court to which the case is to be transferred as directed below.
- 3.3.1.2. The Office of Court Management shall maintain a list of all judges presiding over S.O.B.E.R. Court dockets in numerical order by court number. Upon receiving notice that a case is to be transferred under this subsection, the Office of Court Management will consult the list and tell the sending court which judge is next on the list (in sequential order) to receive a revocation transfer. If the sending judge would otherwise be next on the list, the case will be assigned to the following judge and the sending judge will receive the next revocation for which they are eligible.

- 3.3.1.3. The sending judge shall sign an order transferring the case to the receiving judge. The judges, coordinators, and clerks shall then proceed as with any other case transfer.

3.4. Docket Notation

- 3.4.1. When it has been determined that a case is to be transferred from one court to another, the judge of the sending court shall enter a docket notation that the case is to be transferred and shall specify the court to which the case is to be transferred.

3.5. Transfer Order

- 3.5.1. After the docket notation is completed, the clerk of the sending court will prepare a transfer order, obtain the judge's signature, and cause the signed order and court case file to be timely delivered to the clerk of the receiving court. The clerk of the receiving court will obtain the receiving judge's signature on the transfer order. At that time, the receiving coordinator will set the case in the receiving court and complete the setting information on the bottom of the transfer order.

3.6. Entry of Transfer Order

- 3.6.1. The clerk of the receiving court will deliver the completed transfer order and the court file to the district clerk's office. The transfer order will be entered and verified in the records maintained by the Justice Information Management System. The entries in the court case file will be completed prior to data entry/data verification of the transfer order. A copy of the completed transfer order bearing the transaction number will be filed in the court's case file. Duplicate copies of the transfer order shall also be provided to the clerk of the receiving court for delivery to the assistant district attorney assigned to that court and to the defense attorney of record.

3.7. Justice Information Management System Update

- 3.7.1. The district clerk shall update the Justice Information Management System records with the case setting date of the receiving court, and shall enter the reason for the transfer. At that time, the setting record remaining in the transferring court will be closed.

RULE 4. INITIAL SETTINGS

4.1. First Settings

- 4.1.1. The first setting date of the case shall initially be known as the arraignment setting, and it shall be provided by the district clerk on all cases except those filed as non-arrests, where instead a capias is issued for the defendant. The clerk shall set first settings in the following manner:
- 4.1.2. Cases filed on Monday through Thursday shall be set for arraignment on the same day of the following week. Cases filed on Friday, Saturday, or Sunday shall be set for arraignment on the following Friday. An arraignment setting shall not affect statutory timelines for determining indigence or appointing counsel.
- 4.1.3. Non-arrest cases shall be set for arraignment in accordance with the above rules upon the filing of an executed capias.

- 4.1.4. A defendant released from custody on a personal bond under the conditions described in TEX. CODE CRIM. P. The criminal law hearing officer ordering the defendant to be released shall, at the time the defendant signs a personal bond, order the defendant, in writing, to appear as provided above, and the hearing officer shall also direct personnel from the Pretrial Services Department to provide the defendant with written notice of the date, time and place that the court will be in session.
- 4.1.7. The hearing officer who orders the defendant's release shall immediately notify, by e-mail, the judge and the coordinator of the court in which the defendant is set, notifying them of the defendant's release and pending appearance in that court.
- 4.1.8. The district clerk shall enter the first setting at the time the complaint and information are filed. The setting information shall be reflected on the complaint document above the misdemeanor charge literal in a manner that will provide the setting information on all copies of the indictment, information, and complaint. Further, when a bond is filed with the district clerk, the district clerk shall provide written notice of the case's first setting date to the person filing the bond.

4.2. Probable Cause Hearings for Further Detention

4.2.1. Appearance Before A Criminal Law Hearing Officer

- 1.4.1.1. When the district clerk files an indictment, information, or complaint alleging the commission of a misdemeanor offense within the jurisdictional limits of a county criminal court at law and the defendant is in the custody of law enforcement officials in Harris County, the district clerk shall update the electronic records in the automated system to reflect that charges have been filed. Further, by general order of the judges of the county criminal courts at law, all law enforcement officials in Harris County shall cause the pretrial detainees in their respective custody, who have been charged with a class A or class B misdemeanor, to be delivered to the criminal law hearing officer not later than 24 hours after arrest for the purpose of conducting a hearing to determine probable cause for further detention. Personnel and electronic files, along with original and hard copy files, where appropriate, from the district attorney, district clerk, and Pretrial Services Department necessary to conduct the hearings shall be present and made available to the criminal law hearing officer. All detainees will be deemed to have been "taken before a judge or judicial officer" if they are physically present at the hearing, or if their participation is achieved by the use of high-speed, two-way audio/video transmission technology. A copy of such finding and return by the sheriff shall be retained by the district clerk in the case file.

That notice is to be used by the clerk for recording data in the automated system.

Immediately upon receipt of the information from the clerk, the court coordinator shall notify the attorney-of-record on appeal, the surety on the appeal bond, if one exists, and the appellant by regular mail. The court coordinator shall also attempt to notify the above parties by telephone.

- 5.1. Only the judge or the coordinator of the court may approve the addition of a case to the docket.
- 5.2. To request the addition of a case to the court's docket, the requesting party (district attorney, defense attorney, court clerk, sheriff, et cetera), shall submit to the court coordinator the case number, defendant's name and status (jail or bond), and the reason for the request.

- 5.3. Those cases approved for addition to the court's docket will be submitted via the county criminal courts at law add-on form to the clerk of the court by 3:00 p.m. of the day before the case(s) is/are to be added to the docket. Jail cases may be exempt from this time requirement.

The district clerk shall endorse the amount of bail upon the papers of the case in accordance with the bail schedule provided by these rules. The district clerk shall then issue a *capias* to the sheriff of Harris County, who shall immediately attempt to apprehend the defendant.

7.1. Non-Record Municipal Courts, and Justice of the Peace Courts:

If the bond shows no such address, the notice may be addressed to one of the sureties on the bond. If there are no sureties on the bond, notice shall be sent to the defendant at the address shown on the complaint, or ticket made the basis of the prosecution. The provisions of TEX. CODE CRIM. P. ANN. art. 28.01 shall control the filing and hearing of all matters and the conduct of the proceedings.

7.1.3. Contents of Notice

- 7.1.3.1. The notice shall contain the cause number assigned to the appeal and the court into which the case was assigned; the time, date, and location of the court in which the defendant is to appear; and shall contain the following statement:

At this setting you will be asked to enter a plea of not guilty, *nolo contendere*, guilty, or make any other special plea provided by law. In addition, the Court will hear any matters you or your attorney wish to raise

- 7.1.4.1. Where the defendant is in custody, the de novo appeal shall be set for arraignment on the next date the court is in session.

- 7.2.2.2. Before assigning a court, the district clerk shall determine by research whether the defendant named in the appeal has a prior connection to an existing appeal. A prior connection is established when a prior pending appeal from a municipal court of record exists.
- 7.2.2.3. The district clerk shall file a subsequent appeal in the same court if: (i) the subsequent appeal arose from the same criminal transaction, or (ii) was tried before same jury.

7.3. Administrative License Revocation Hearing Authorized By Chapters 524 and 724, Texas Transportation Code

7.3.1. Procedure For The Filing of Cases

RULE 8. DOCKETING OF CASES: JUDGE RECUSAL OR DISQUALIFICATION

- 8.1. **VOLUNTARY RECUSAL OR DISQUALIFICATION.** Upon voluntarily granting a motion to recuse or disqualify, or on a judge’s decision to recuse or disqualify without a motion, the recusing judge shall sign an order referring the case to the Presiding Judge of these courts. If no motion to recuse or disqualify is pending, the recusing judge shall briefly state the reason for the recusal or

disqualification in the referral order. The Presiding Judge of these courts shall issue an order directing the clerk to assign a judge to preside over the case using its computerized random assignment program. The judges, coordinators, and clerks shall then proceed as with any other case transfer.

8.1.1. After a transfer pursuant to Rule 8.1, the clerk shall take the next case that would have otherwise been assigned to the receiving court and instead assign it to the recusing court.

8.2. **INVOLUNTARY RECUSAL OR DISQUALIFICATION.** Immediately after declining to grant a motion to recuse or disqualify, a judge shall sign an order referring the case to the Presiding Judge of the Second Administrative Judicial Region and direct a member of the Office of County Court Management to transmit the referral order to the regional Presiding Judge. The Presiding Judge of the Second Administrative Judicial Region shall assign a judge in the manner provided by Rule 9.2.4, Regional Rules of Administration of the Second Administrative Judicial Region of Texas. The judge assigned to rule on the motion shall sign an order granting or denying the motion using the form of order promulgated by the region. The order shall be filed with the clerk of the court. If the motion is granted, the district clerk shall use the computerized random assignment program to determine the court to which the case will be assigned. The judge assigned to rule on the motion shall sign an order transferring the case to the randomly selected court. The judges, coordinators, and clerks shall then proceed as with any other case transfer.

RULE 9. BAIL POLICIES

9.1. Pursuant to *ODonnell v. Harris County*, 251 F. Supp. 3d 1052 (S.D. Tex. 2017), and the Fifth Circuit in *ODonnell v. Harris County*, 892 F.3d 147 (5th Cir. 2018), the Harris County Criminal Court at Law Judges (“CCCL Judges”) order these policies be applied to all persons arrested for a misdemeanor offense. This rule is designed to vindicate the federal constitutional rights at issue in *ODonnell v. Harris County* arising from the federal Due Process and Equal Protection Clauses. To the extent other provisions of federal or Texas law provide greater protections, nothing in this Rule should be construed to limit those greater protections.¹

9.2. To the extent Local Rule 9 conflicts with any other local rule, Local Rule 9 controls. Except for situations described in Local Rule 9.4.1-9.4.6, all misdemeanor arrestees will have unsecured bail amounts set initially at no more than \$100 and be promptly released² on a

¹ For example, Texas law provides greater protections through the Texas Constitution’s right to bail clause, Tex. Const. art. 1 § 11, and through statutory protections relating to the timing of post-arrest proceedings, *see, e.g.*, Tex. Code of Crim. Pro. 15.17 (requiring arrestees be taken before a magistrate “without unnecessary delay”); Tex. Gov’t Code § 54.858 (“The criminal law hearing officer shall be available, within 24 hours of a defendant’s arrest, to determine... all matters pertaining to bail.”); Texas Code of Criminal Procedure 17.033(a) (“[A] person who is arrested without a warrant and who is detained in jail must be released on bond, in an amount not to exceed \$5,000, not later than the 24th hour after the person’s arrest if the person was arrested for a misdemeanor and a magistrate has not determined whether probable cause exists to believe that the person committed the offense. If the person is unable to obtain a surety for the bond or unable to deposit money in the amount of the bond, the person must be released on personal bond.”).

² The term “release” as used herein refers to release from custody in the pending case for which the new arrest occurred. Thus, if a person has other pending lawful holds (e.g. from another case, parole, or from another jurisdiction), “release” would mean release to that other hold rather than release from custody.

personal bond with or without other non-financial conditions as soon as practicable after arrest. Consistent with Texas law, a judicial officer is not required to sign a personal bond prior to the person's release.

- 9.3. Secured money bail must not be required as a condition of pretrial release prior to a bail hearing³ that meets the requirements of Local Rule 9.12, including an individualized determination of ability to pay and, if the person cannot pay, consideration of alternatives and a finding that detention is necessary to meet a compelling government interest in reasonably assuring public safety or reasonably protecting against flight from prosecution.
- 9.4. All misdemeanor arrestees must be released on a personal bond or on non-financial conditions as soon as practicable after arrest,⁴ except those who fall within the following categories, who may be detained for up to 48 hours for an individualized hearing:
- 9.4.1 Individuals arrested and charged under Penal Code § 25.07;
 - 9.4.2 Individuals arrested and charged under Penal Code § 22.01, against a person described in Penal Code § 22.01(b)(2), or individuals arrested and charged under Penal Code § 22.07(c)(1) and (§ 22.012);
 - 9.4.3 Individuals arrested and charged under Penal Code § 49.04 and who the State gives notice may be subject to Penal Code § 49.09(a) for a conviction that became final within the past five years;
 - 9.4.4 Individuals arrested and charged with any new offense while on any form of pretrial release;
 - 9.4.5 Individuals arrested on a capias issued after a bond forfeiture or bond revocation; and
 - 9.4.6 Individuals arrested while on any form of community supervision for a Class A or B misdemeanor or a felony offense.

³ “Bail hearing” refers to any legal proceeding that occurs before any judicial officer, including CCCL Judges and Harris County Criminal Law Hearing Officers, at which conditions of release are determined or that might result in pretrial detention or a requirement to pay secured money bail as a condition of release.

⁴ If necessary to assure community safety or the safety of the arrestee, a person arrested for violating Penal Code § 49.04(a) (driving while intoxicated) or Alc. Bev. Code § 106.141(c) (driving under the influence as a minor, third offense) may be detained for up to 8 hours after arrest, including past the time they would have otherwise been released, to allow time for the person to become sober and be safely released.

- 9.5 Any person arrested for the reasons described in Local Rule 9.4.1-9.4.6 may be kept in custody pending an individualized hearing before a judicial officer.⁵ Any judicial officer who makes decisions about conditions of release, including the Harris County Criminal Law Hearing Officers, must have complete discretion to release on a personal bond any misdemeanor arrestee prior to an individualized hearing.
- 9.6 Secured money bail must not be imposed as a condition of release prior to a bail hearing that meets the requirements of Local Rule 9.12.
- 9.7 Secured money bail must not be used as a condition of pretrial release at any time in the pretrial period for any misdemeanor arrestee other than those persons arrested for the reasons described in Local Rule 9.4.1-9.4.6.
- 9.8 Any arrestee who is not promptly released on a personal bond after arrest must receive a bail hearing that meets the requirements of Local Rule 9.12 as soon as practicable but no later than 48 hours after arrest. Nothing in this provision is intended to conflict with any provision of Texas law or local rules.
- 9.9 If a person falls within a carve-out category set forth in Local Rule 9.4.1-9.4.6 and cannot be physically brought to an in-person hearing, a bail hearing must be conducted within 48 hours of arrest in absentia, and an in-person bail hearing must be conducted as soon as practicable thereafter. A judicial officer may travel to the physical location of the arrestee to conduct the bail hearing in-person; a bail hearing conducted using audio-visual equipment will satisfy the requirement for an in-person bail hearing.
- 9.10 At the bail hearing, the judicial officer may consider the full range of available conditions of release, including secured money bail, unsecured money bail, and nonfinancial conditions. Any judicial officer has complete discretion to release any misdemeanor arrestee on a personal bond.
- 9.11 Arrestees subject to a bail hearing must be represented by the Harris County Public Defender or other court-appointed counsel. Arrestees may retain a private attorney to represent them at the bail hearing.

⁵ Although individuals who fall within Local Rule 9.4.1-9.4.6. *may* be detained for up to 48 hours for a bail hearing, detention is not mandatory. Employees of the District Attorney's Office, Pretrial Services, the Sheriff's Office, or other government agencies may recommend that a judicial officer release any arrestee on a personal bond prior to a bail hearing. The decision to release a person who falls within these categories must be made by a judicial officer. Such recommendations do not infringe judicial officers' authority to make decisions about conditions of release. They simply preserve the possibility of expeditious release on unsecured bond prior to a bail hearing for arrestees who fall within Local Rule 9.4.1-9.4.6. if a judicial officer decides that release prior to a bail hearing is appropriate.

9.12 Before a judicial officer may require secured money bail as a condition of release at a bail hearing, the following procedures must be provided, and the following findings must be made:

9.12.1 Arrestees must be represented by counsel at bail hearings. Indigent arrestees are entitled to representation by the Public Defender's Office or other court-appointed counsel. At bail hearings under Local Rule 4.2, arrestees must be represented by the Harris County Public Defender as described in Local Rule 4.2.2.2.

9.12.2 In every case, notice must be provided to the arrestee that financial information will be collected through an affidavit, and the County must explain to the arrestee the nature and significance of the financial information to be collected. The language required is as follows:

9.12.3 **I am [First Name] from Harris County Pretrial Services. I am here to interview you and report your answers to the Court. What you tell me may be used to make decisions about your release from jail and whether a lawyer will be appointed in your defense. Also, you will need to state the amount of money that you can afford to pay at the time of the hearing that will be held after we talk. This is the amount of money you could pay without suffering any hardship in your ability to meet your basic needs, like food, clothing, shelter, phone, medical care, and transportation for you and any dependents. If you cannot afford to pay any money without hardship, please let me know. I will then also ask you to sign a paper with the financial information that you provided. Your answers must be truthful under penalty of law. False answers may be used against you. The information will be shared with the Court, the District Attorney and possibly other agencies. You may refuse to complete the interview, or you may refuse to provide me with the financial information. You will be allowed to talk to an attorney before your bail hearing. You may speak to the attorney before you decide whether to participate in this interview. Do you agree to go forward with the interview and to provide financial information?** The judicial officer must provide adequate notice to every arrestee appearing for a hearing concerning pretrial release and detention of the rights at stake in the hearing and the procedural protections and substantive findings required when determining conditions of pretrial release or detention. The judicial officer may satisfy this requirement by providing a general oral notice to a group of arrested individuals. The judicial officer must provide notice that includes the following in all material respects:

- The purpose of this hearing is to determine the least-restrictive pretrial conditions necessary to serve the government's interest in reasonably assuring public safety and reasonably protecting against flight from prosecution.

- Your federal constitutional rights to pretrial liberty and against wealth-based detention are at issue in this hearing because I will be considering conditions of release and whether pretrial detention is necessary.

- I am required to consider whether alternatives to pretrial detention could serve the government's interests in reasonably assuring public safety and reasonably protecting against flight from prosecution. I cannot order you detained before trial—and I cannot require you to pay an amount of money bail that you cannot afford—if there are any conditions of release that would be adequate to reasonably assure public safety and reasonably protect against flight from prosecution.

- Your lawyer will be able to present or proffer evidence and to argue on your behalf at this hearing about any factors relevant to release, detention, and the availability of alternative conditions.

- Before requiring secured money bail as a condition of release, I will review the financial information that was collected through an affidavit so that I can determine whether you can afford to pay money bail and if so how much. Before I am permitted to require money bail, I must make a finding on the record as to whether you can afford to pay that amount today.

- You will have an opportunity to challenge the government's arguments and evidence relating to the bail decision. You will also have an opportunity during this hearing to make legal arguments and to present or proffer evidence about any factors relevant to release, detention, and the availability of alternative conditions. This is not an opportunity to try your case—the issue before the court is determining appropriate conditions of pretrial release or whether you must be detained as a last resort pending your trial.

- If I require conditions of release or pretrial detention, I will explain my decision on the record.

- I cannot order that you be detained or require you to pay an unaffordable amount of money bail as a condition of release unless I make a finding by clear and convincing evidence that no other condition or combination of conditions is adequate to reasonably assure public safety or to reasonably protect against flight from prosecution. I must identify and explain the reasons for my decision and the evidence and information I relied on in making that decision on the record, so that you can challenge the decision at a later date. Requiring unaffordable money bail or ordering you detained must be the last resort, and I will order detention after this hearing only if I make a finding that there are no alternatives for reasonably assuring the safety of the community and reasonably protecting against your flight from prosecution.

- After the hearing today, you will have an opportunity to have the bail decision, including any conditions of release, reviewed by another judge within one business day if you remain detained after today's hearing. If you are released, you will also be entitled to a hearing before another judge if you want to challenge conditions of release.

9.12.4 In every case in which a judicial officer is contemplating secured money bail as a condition of release, the arrestee must be asked, under penalty of perjury, the amount of money she can afford to pay from any lawful source at the time of the hearing.

- 9.12.5 The arrestee must be given an opportunity to be heard concerning any factors relevant to release, detention, and the availability of alternative conditions. Additionally, the arrestee must have an opportunity at the hearing to present evidence and make argument concerning those issues, and to contest any evidence or argument offered by the government concerning those issues. The arrestee must have access to all of the evidence and information considered at the bail hearing, including any criminal history from the National Crime Information Center (“NCIC”) and Texas Crime Information Center (“TCIC”).
- 9.12.6 If the judicial officer requires money bail as a condition of release, the money bail order must be accompanied by substantive findings on the record that are reviewable by a higher court. The findings must be that, by clear and convincing evidence: (1) the arrestee has the ability at the time of the hearing to pay the amount required, or (2) that the arrestee does not have the ability to pay the amount required, but alternative conditions of release were considered, no less-restrictive condition or combination of conditions could reasonably assure the safety of the community or reasonably protect against flight from prosecution, and imposition of unaffordable money bail is necessary to reasonably assure the safety of the community or to reasonably protect against flight from prosecution. These findings and procedures must be provided if the court imposes an order of pretrial detention, either through an unattainable financial condition or directly through an order of pretrial detention.
- 9.12.7 An arrestee who meets any of the following, may not be assessed any fee associated with a personal bond or an unsecured bond, or the cost of a non-financial condition of release, including but not limited to, a supervision fee, a fee for electronic monitoring, or the cost of an interlock device:
- a. Is eligible for appointment of counsel;
 - b. Has been homeless in the past six months;
 - c. Has income at or below 200% of the federal poverty guidelines; Is a full-time student;
 - d. Is, or within the past six months has been, homeless;
 - e. Is incarcerated, or residing in a mental health or other treatment program; or

- f. Is or has dependents who are eligible to receive food stamps, Medicaid, Temporary Assistance for Needy Families, Supplemental Security Income, Social Security Disability Income, public housing, or any other federal or state public assistance program based on financial hardship.

9.12.8 No arrestee may be incarcerated due to inability to pay a fee or cost associated with a condition of release.

- 9.13 At any bail hearing in the assigned County Criminal Court at Law, the arrestee shall be provided with the same substantive and procedural protections as described in Local Rule 9.12. Specifically, the court is required to afford the arrestee counsel under Local Rule 9.12.1 and to make findings under Local Rule 9.12.6 if the court imposes or continues an order of detention or money bail set at an unaffordable amount. Any arrestee who remains in jail after a Local Rule 4.2 hearing that meets the requirements of Local Rule 9.12 must be provided with a bail hearing the next business day before a CCCL Judge under Local Rule 4.3. The bail hearing before a CCCL Judge must occur before a plea can be accepted by the court. If a person is subject to a hold or has a concurrently pending felony case, the person may waive the bail hearing before a CCCL Judge without being brought into the courtroom. For every other arrestee, waiver of the bail hearing before a CCCL Judge may not be accepted unless the person is present in court, appears before the CCCL Judge, is informed by the judge of her rights as set forth in Local Rule 9.12.3, and makes a knowing, intelligent, and voluntary waiver of the bail hearing before the CCCL Judge on the record.
- 9.14 Upon an arrestee's request at any subsequent time prior to trial, the CCCL Judge shall provide a prompt bail hearing on the record to review conditions of bail. Prior to the bail hearing, the CCCL Judge must approve and assure timely access to supportive defense services such as investigators, experts, or social workers and to discovery of any information that may be considered by the CCCL Judge at the hearing. If the CCCL Judge imposes or continues conditions of release after the hearing, the CCCL Judge must provide written factual and legal findings that the conditions imposed are the least restrictive necessary to reasonably assure public safety or to reasonably protect against flight from prosecution.
- 9.15 The Sheriff must not enforce any order requiring secured money bail that was imposed prior to an individualized hearing. All arrestees shall be treated in accordance with Local Rule 9.2 and released on a personal bond, or Local Rule 9.12, and afforded an individualized hearing.
- 9.16 The Sheriff must not enforce any order requiring secured money bail that is not accompanied by a record showing that the procedures and findings described in Local Rule 9 were provided. By General Order of the CCCL Judges, if an order to pay secured money bail is unaccompanied

by the required record, the Sheriff must deliver to the arrestee a General Order Bond (“GOB”) issued by one or more of the CCCL Judges and release the arrestee.⁶

- 9.17 Any directive or requirement to pay money bail must not be enforced if issued prior to the bail hearing.
- 9.18 If an arrestee is in the Sheriff’s custody 40 hours after arrest and no conditions of release have been determined, the Sheriff must present the arrestee to a judicial officer for a bail hearing. If the person does not appear before a judicial officer within 48 hours of arrest, by general order of the judges, the Sheriff must deliver to the arrestee a “General Order Bond” issued by one or more of the CCCL Judges and release the arrestee.
- 9.19 The District Clerk’s Office will electronically provide to the Sheriff’s Office, on an hourly basis, a list of all misdemeanor arrestees who have been in custody 40 hours or more from the recorded arrest date and time, and have not received a bail hearing or a General Order Bond.

RULE 10. REFUND OF CASH BONDS

- 10.1. Unless a notice of appeal is given, cash bond deposits will be refunded to depositors other than the defendant upon final disposition of the criminal proceeding. If a notice of appeal is given, refunds will not be given until a replacement bond has been duly filed with the district clerk.
- 10.2. In the event the criminal proceeding is reversed and remanded to the trial court, no refund or assignment will be granted until a replacement bond has been duly filed with the district clerk.

RULE 11. BOND FORFEITURE REINSTATEMENTS, DISMISSALS, AND JUDGMENTS

- 11.1. All bond reinstatement orders, bond forfeiture dismissal orders, and agreed judgments, wherein payments of costs of judgments are involved, shall be presented in person by the bonding agency only to the judge of the court wherein the forfeiture occurred
- 11.2. The total amount of the costs on bond reinstatements with costs, dismissals with costs, and in the case of agreed judgments the total amount of judgment and costs, will be delivered to the court along with the order of judgment by the bonding company.
- 11.3. Money orders, cashier’s checks, and firm checks, payable to the Harris County district clerk, are the only tender that will be accepted. Cash payments may be made in advance and a receipt obtained from the district clerk and presented with the order or judgment.
- 11.4. All bonding agencies shall be required to obtain the future setting date from the court coordinator prior to presenting orders of reinstatement and costs. All future settings shall be seven days from the date of the reinstatement order.

⁶ The General Order Bond is a judicial release order, requiring the Sheriff, pursuant to judicial order, to release the arrestee from Harris County custody. The bond is pre-approved by the Judges or the Presiding Judge.

- 11.5. Upon reinstatement, dismissal, or approval of agreed judgment by the judge of the court wherein the forfeiture occurred, the order, judgment, and the accompanying tender shall be delivered by the judge to the clerk of his court for delivery to the district clerk's office.

RULE 12. APPROVAL OF PERSONAL BONDS

- 12.1. Whether to approve or deny a personal bond after an individualized hearing is up to the reviewing magistrate's sound discretion. Secured money bail must not be required as a condition of pretrial release prior to a bail hearing that meets the requirements of Local Rule 9.12, including an individualized determination of ability to pay and, if the person cannot pay, consideration of alternatives and a finding that detention is necessary to meet a compelling government interest in reasonably assuring public safety or reasonably protecting against flight from prosecution.
- 12.2. Certain arrestees are presumed appropriate for release on personal bond following their initial arrest, subject to the magistrate's sound discretion and any appropriate conditions. Whether a presumption for release on personal bond exists is governed by the bail policies pursuant to Rule 9.

RULE 13. SIGNING OF PLEADINGS

- 13.1. Every pleading, brief, or motion of a party represented by an attorney, shall bear the manuscript signature of at least one of the attorneys of record, in his individual name, along with his state bar card number, address, and telephone number. The pleading, brief, or motion shall further contain a certification that a copy of the document was mailed or hand-delivered to opposing counsel.

RULE 14. PREPARATION OF JUDGMENTS

- 14.1. The district clerk of Harris County, Texas, shall prepare the judgment in the case at the time the judgment is rendered using a form approved by the Judges of these Courts, and present it without delay to the trial judge for approval and signature. Judgments in a multi-count indictment or information shall be prepared by the prosecuting attorney at the time the judgment is rendered and the prosecuting attorney shall present it without delay to the trial judge for approval and signature.

RULE 15. PETITION FOR OCCUPATIONAL DRIVER'S LICENSE

- 15.1. The District Clerk shall only accept for filing, a petition seeking an occupational license resulting from a suspension, revocation, cancellation, or denial of a person's driving privilege expressly covered by these rules. The District Clerk shall direct a person wishing to file a petition seeking an occupational license resulting from a suspension, revocation, denial, or cancellation under a provision not covered in subsection A, below, to the County Clerk of this county.

15.2. Filing of Petition for Occupational License

- 15.2.1. A person may apply for an occupational license by filing a verified petition with the District Clerk of Harris County, Texas if the person's license:

- 15.2.1.1. was automatically suspended, revoked, cancelled or denied upon conviction of an offense in a county criminal court at law as provided by Chapter 521, Transportation Code; or;
- 15.2.1.2. was suspended or denied as provided by Chapter 524, or 724, Transportation Code; or

15.3. Assignment of Occupational License Petition

- 15.3.1.** Suspension after conviction. The clerk shall assign the case to the court in which the defendant's driver's license was most recently suspended upon conviction or order granting community supervision as provided by Chapter 521 Transportation Code using the cause number from the case followed by the suffix "R".
- 15.3.2.** Suspension or denial after failing or refusing to provide a sample of breath or blood. The clerk shall assign the petition to the court in which the criminal case resulting from the failure or refusal is pending, or in which an order dismissing the case was entered, using the cause number of the case followed by the suffix "X".

15.4. Setting

- 15.4.1.** The district clerk shall set the petition on the court's docket seven days from the date it is filed, or on a date set by order of the Judge of the court with jurisdiction.

RULE 16. ATTORNEY OF RECORD

- 16.1.** On the first appearance retained counsel shall complete the Attorney of Record form provided by the court and file it with the clerk of the court. The district clerk shall use the attorney of record form or the order appointing counsel as a source document for data entry into the Justice Information Management System. A written motion and order of the court will be required for withdrawal as attorney of record.
- 16.2.** The original attorney of record is presumed, under these rules, to continue as attorney when a notice of appeal is filed. When the original attorney of record does not continue to represent the defendant on appeal, then the original attorney of record shall file a motion to withdraw as attorney of record in the county criminal court in which the case is pending. At the time the motion to withdraw is filed, the original attorney of record shall also request a hearing date from the court coordinator who shall set the motion on the court's docket within seven (7) calendar days of presentment. The purpose of this hearing is to allow the court to rule on the motion to withdraw.
- 16.3.** When notice of appeal is filed and an attorney other than the attorney of record is retained to prosecute the appeal, then appellate counsel shall file a motion to substitute counsel in the county criminal court at law in which judgment was entered. The motion shall be filed at the time notice of appeal is filed, or not later than five (5) calendar days after the date counsel is retained or appointed.
